

Dear Industry Partner,

Okanagan Construction Industry Conference 2019

The Okanagan Construction Industry Conference (OCIC) is an annual two-day event that will provide Builders and Developers with the necessary points to count towards their continuing education requirements to maintain their BC Housing Licence. OCIC will provide attendees with relevant and engaging content. As a sponsor you would receive year-round exposure to the CHBA membership. By connecting your company to OCIC you are aligning yourself with education, Builders and Developers within the building industry. Please consider sponsorship for the 2019 OCIC.

Sincerely,
CHBACO Event's Committee
