HOME BUILDERS' ASSOCIATION
CENTRAL OKANAGAN

How does CHBA benefit you?

The **CHBA** has over 270 industry leaders locally in the Central Okanagan, over 2,500 members provincially, and more than 8,000 industry leaders nationally. As an association, we have a collective strength and visibility to help serve our industry, all while offering our members a number of direct benefits.

BENEFITS YOU CAN BUILD ON.

A SEAT AT THE TABLE – National, Provincial-regional and Municipal government representation, ensuring your concerns are shared and interests are protected. Few individual companies can make a difference in the system, but together, we have direct access with people in all levels of government whose decisions impact our industry.

THE OPPORTUNITY TO UPGRADE – Educational grants, certification programs and a multitude of educational courses and workshops organized by CHBACO. Gain valuable knowledge on the latest industry changes, trends and opportunities.

ACCESS TO INDUSTRY INFORMATION – Through the **members only** portal on our website, you'll receive timely updates and research papers on relevant issues.

BUILD YOUR NETWORK – We host industry events and socials to help you connect with the local industry. Our Internet marketing campaigns are designed to both aid and serve our members and their clients.

BUILD YOUR REPUTATION – Join an association that is built on a foundation of reputable, trustworthy and vetted industry leaders. By aligning yourself with CHBACO, you will not only benefit by building your reputation, but from a digital awareness campaign that targets our industry customers. In addition, you will receive visibility in our annual membership directory and website that is distributed to our members, consumers, libraries and government officials.

RECOGNITION OF EXCELLENCE – The Okanagan Housing Awards of Excellence (formerly the Tommies) are well respected in this region. It's a celebration of our industry and a reputation-builder for winners.

OH, AND SAVE MONEY. LOTS OF MONEY – Our **member discounts** help you save money on trucks, shipping, office supplies, phones, computers and all types of stuff. Just cashing in on these savings could cover the cost of an annual membership.
