

Public Notice

THE CORPORATION OF THE CITY OF VERNON
3400 – 30 Street
Vernon, BC
V1T 5E6

FOR IMMEDIATE RELEASE
DATE: March 19, 2020

City of Vernon still open for business, maintaining infrastructure and continuing with development projects

The City of Vernon Community Infrastructure and Development Division would like to assure our residents, businesses and stakeholders that we are still open for business. Development applications are being received and processed. Building permit applications are being received and processed, and inspections are proceeding.

We are, however, encouraging you – our valued customers – to phone or email your enquiries whenever possible. You can find contact information for each department on the [City's website](#).

For those who need to visit the Community Services Building in person, we have implemented additional safety measures to protect customers and front line workers. These include:

- hand sanitizer in public spaces
- regular counter cleaning
- social distancing measures

If you have been out of the country within the last 14 days or are showing any cold or flu like symptoms, please do not enter City facilities. Your cooperation with these measures is appreciated.

The City of Vernon remains committed to serving our clients and recognizes this is a quickly evolving situation which may impact our operational plans. We appreciate your patience during this time.
