

Gingerbread House Contest Sponsorship Benefits and Recognition

Habitat's first annual gingerbread house photo contest theme is **"There's no place like home"**. This year especially, our homes have never meant more, and for many have been a "safe haven" during this unprecedented time! Participants first purchase a "building permit". The permit fee provides them with a basic **gingerbread kit**. Kits can be picked up from any one of the Habitat for Humanity ReStores in Kelowna, West Kelowna, Vernon or Penticton.

Thank you for your interest in supporting Habitat for Humanity Okanagan through a **gingerbread house contest** sponsorship. Habitat offers some excellent pricing, marketing, and awareness opportunities while showcasing your community involvement.

For a \$500 investment you can become a sponsor of the event!
