

Local Designers Best in BC: Isabey Interiors Wins Two Provincial Awards

June 1, 2023 - Kelowna, B.C. – On Saturday, May 20th, B.C.'s top home builders and renovators gathered at the Hyatt Hotel in Vancouver to celebrate the year's best residential construction projects at the Canadian Home Builders' Association of BC's (CHBA BC) Georgie Awards®. Now in its 31st year, the awards are B.C.'s most prestigious homebuilding, renovation, and housing awards.

From a local perspective, Isabey Interiors was the big winner on the night, securing two awards: *Excellence in Kitchen Renovations Over \$150,000* and *Best Any Room – New or Renovation*.

"We are honored to be recognized amongst the many talented build and design professionals in our province and are immensely proud of our team for producing award-winning designs." said Trisha Isabey, CEO of Isabey Interiors. "Our team looks forward to delivering innovative projects that exceed our clients' expectations and elevate the entire design experience. This project was designed to be an entertainer's paradise... preserving as much of the original character and materials as possible while making all relevant updates to meet the intention of design."

To be eligible for a Georgie Award, the company must be a CHBA BC member, and the submitted project must have been built, renovated, developed, created, and marketed from January 1, 2021 – November 1, 2022. The finalists and winners are selected by a judging panel of out-of-province industry professionals and the results are verified by an independent accounting firm.

"The Georgie Awards are a testament to the excellence, professionalism and innovation that defines the residential construction industry in British Columbia. They are an opportunity to celebrate the incredible work being done by builders, renovators, designers, and marketers, and to recognize their contributions to the communities they serve," said Neil Moody, CEO of the Canadian Home Builders' Association of British Columbia.
